In the specification, after page 127, please start another page (128), and insert the
following heading and the following text of the Abstract, as taken from the cover page of the
PCT application:

ABSTRACT

Methods are disclosed for decreasing calorie intake, food intake, and appetite in a subject.
The methods include peripherally administering PYY or an agonist thereof and GLP-1 or an
agonist thereof to the subject, simultaneously or sequentially, thereby decreasing the calorie
intake of the subject.

In the specification, after page 128 with the abstract, please insert the separately numbered pages of sequence listing enclosed herewith.
